y one tells me
for war. Maybe.
what I have seen what I have seen in the terms of yesterday. They deal in fine and senseless phrases.

"To preserve our nationality we must every one tells me-

Modane. There ime on account of national greatness are gone forcer. They get drunk themselves, and ef course, they easily make a crowd drunk with clap-trap of this sort. And this, as far as I can see, is what makes up the enthusiasm that is so diligently written up, for a government who has not gauged the enthusiasm of its people for war by a referendum—the only accurate way to measure enthusiasm. Demonstrations do not count. I could get a mob anydegrees under do not count. I could get a mob anywhere at any time to scream for almost anything. Any ward politician
will tell you how that is done. And
will tell you how that is done. And
will tell you how that is done. And
the Italians, I think, particularly love
to demonstrate. If they see Marconi
or d'Annancio for somebody whom they
are able to hero worship) in the street
they give him an ovation, be the time
peace or war. They gather in crowds
at the slightest provocation. If a boy
bumps into a metor car they foregather
and demonstrate against the owner of
the car, whether or not he was in the

son away from or gets up from his seat too noisily, "Signora," he there is, in every case, a demonstration. So I think such rushing hither

on the way to join his together long and

Another explanation of enthusiasm—this from an official high in Rome—a non-party man. "How," I said, "if there was no enthusiasm for war, do you account for the demonstrations duty.

The Free Masons were given a holimate thusiasm, brrible, Menacing.

"Italy Did Not Want War."

Another explanation of enthusiasm—this from an official high in Rome—a non-party man. "How," I said, "if there was no enthusiasm for war, do you account for the demonstrations against Gioliti?" "Here is a way to account for part of them," he answered. "The Free Masons were given a holimate thusiasm, brrible, Menacing.

here in Rome I spoke to chambre "What do you war?" I asked her. She her patient body swung of passionate protest her eyes. "What do I, madame? I, who have hand—to be killed persik it is cruel, horrible, think it so unbearable were a revolution sgains: here in Rome I spoke to chambre "What do you war?" I asked her. She that he cannot upper him and my always worked. a pathusiasm. The only real test, of course, is your appeal to the sober judgmen of all individual people."

patrie." I said.
what is it to same whether r. War makes ut. And imag.

about the head of a departing soldier great."

By this time she was solbing. "But some become want the war," I said some become want the war, "I said the complex want the war," I said the complex war is the only thing that makes a mother or wife able to part with him. For its effect upon her is to produce a feeling of awe and sucredness which really makes her forget her natural instincts for the moment, and even say she is glad to have him go. And, of course, this situation is tremendously played upon by a cautious government, careful to supply all the resplendent paraphrenalia of war and throw an atmosphere of glory about the whole ugly process of leading men to death. The unital fact from the battle line.

The soll like this war business?"

"Ah, madame, it is not pleasant, but

not pleasant, but lining an emotion and yourself in the

weary Months of Waiting and Want.

In spite of the bit of glory which hung about them. I noticed tears and fears on the faces of some; an old hump-backed mother, for example, who marched beside her son; of a young wife who was sending her sweetheart husband; of here a woman and there a woman whom even the noise and crowd any here they would have it. They hinstered, and suddenly, they sobered into realizate travelled through the other provinces; nowhere businsm. The country folk are they say the war has it on by Jingo Rome.
